“CERAMIC DESIGN EXHIBITION from JAPAN “ - Aichi University of the Arts Graduate’s Works Exhibition In Malaysia -

Date : 12 April, 2017 Wed. ~9 June, 2017 Fri.
Venue : 1st floor
in yamagiwa Lighting & Gallery

The exhibition showcases pieces created by promising young ceramics artists and designers who have graduated from the University’s ceramics program. Works by faculty are also presented. The University is located in Japan’s most important ceramics art region, and students have developed and benefited from deep connections with the local society and culture. The work presented here reflects these connections, and demonstrates the diversity and potential of the artists emerging from this program.

We extend our sincere thanks to the many individuals who have helped to make this exhibition a reality.
