⚠ Cautions for Your Safety

- The fixture is for interior use only, and shall not be installed for exterior use, also not to be used in a moist or humid location. Improper application will become a fire hazard due to insufficient insulation.
- Do not put the fixture on an unstable place. If so, there may be a risk of tumbling of the body or a fire hazard.
- Do not place the fixture close to curtains, paper, flammable or volatile materials. It may become a fire hazard.
