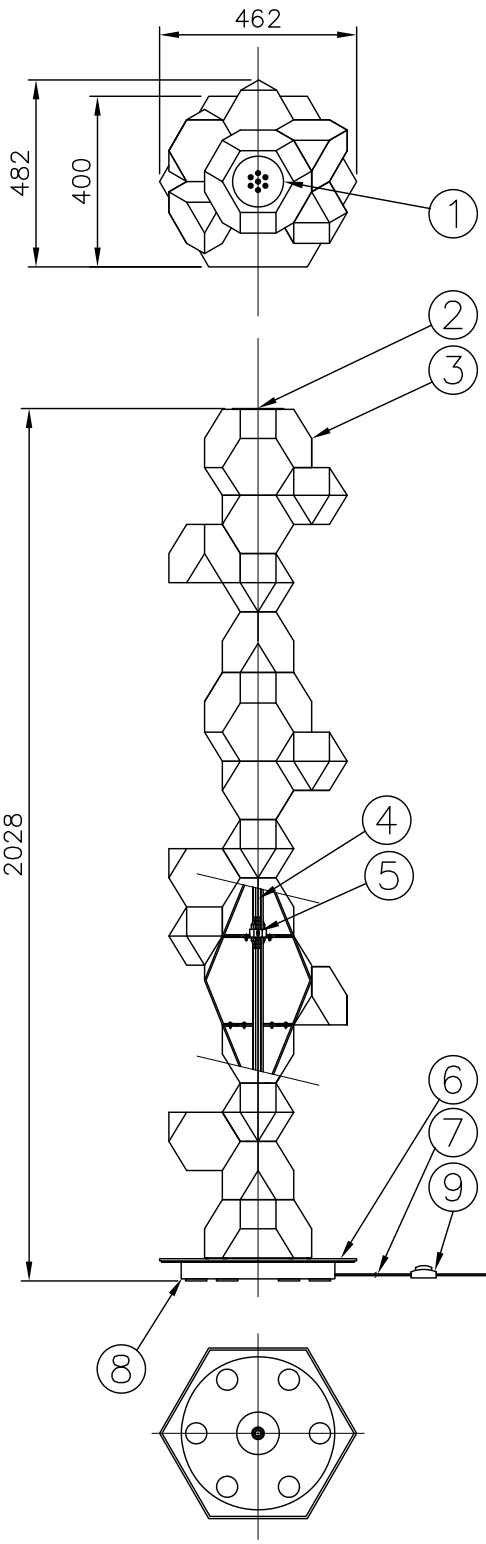
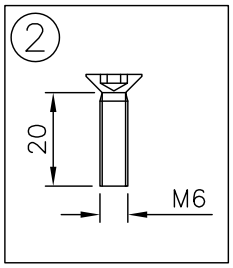
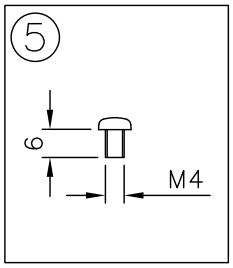
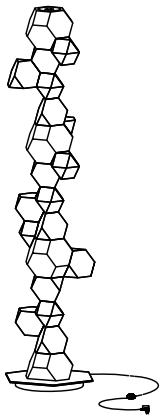
yamagiwa

250314









Power Consumption	42W

- Please be aware that there may be individual variations in the LED's light intensity and brightness.
- A power supply & dimmer unit is sold separately.

⚠ Attention

- The fixture is for interior use only, and shall not be installed for exterior use, also not to be used in a moist or humid location. Improper application will become a fire hazard due to insufficient insulation.
- Do not put the fixture on unstable place. If so, there may be a risk of tumbling of the body or a fire hazard.
- Do not place the fixture closeto curtains, paper, flammable or volatile materials. It may become a fire hazard.
